## To Family or a Friend

Dear [insert name],

You have known me for quite some time and I can honestly say you have been a part of shaping me into who I am today. Part of who I am is a passion for giving back to others. When I first arrived at KSU, I was bombarded with opportunities to give back, but I found one that really inspired me. I joined KSU Flashathon, a student-run philanthropy which fundraises for the cancer unit at Akron Children's Hospital, and since that day I have been striving to do all I can in order to make a difference in someone's life.

I am reaching out to you because I know how much you believe in helping others and I want to ask if you would be willing to donate anything at all to my fundraising page. I understand money can be tight, but I also know that sometimes when a few people give just a few dollars an amount can be reached to save a life.

I am grateful for your consideration and hope you will be able to donate, but even if you are not, thank you for hearing my message and please pass it along because raising awareness is just as important as raising money! Donations can be made online at my fundraising page: **[Insert Donor Drive link]**. Thank you again and I look forward to seeing you soon!

All the best,

[your name]
